F-PACE SVR

YOUR F-PACE

F-PACE. OUR AWARD-WINNING SUV HAS EVOLVED.

Building on its original design cues, the new F-PACE looks, drives and feels like no other SUV. The hood has been refined, framing a more distinguished, precision-engineered front grille inspired by our signature monogram pattern.

Vehicles shown are from the Jaguar global range. Specifications, options and availability may vary between markets and should be verified with your local Jaguar Retailer.

DISTINCTIVE LIGHTS ADD TO ITS DYNAMISM

The F-PACE has new slimmer double 'J' graphic, Premium LED headlights with signature DRL, that have been designed to enhance the vehicle's dynamic, purposeful look. Added to which, you'll see that the laser-etched monogram detailing – unique to Jaguar – is just one of many lovely touches that elevate the vehicle's looks even further.

The vehicle’s individual shape is emphasized by a tapered roofline to reinforce its dynamic stance. The shoulders add to that more purposeful and assertive appearance. Details such as the leaper fender vent give this extraordinary SUV an even greater presence – one that’s truly enhanced with a set of 22” Gloss Black wheels with Satin Black inserts*.

*Optional feature, requires fitment of additional feature.

VEHICLE SHOWN: F-PACE R-DYNAMIC S IN YULONG WHITE WITH OPTIONAL FEATURES FITTED

BEAUTY, ANY WAY YOU LOOK AT IT.

There's something enticing about the way the F-PACE reimagined tailgate forms a stunning framework for the new high-intensity signature LED lights, with slim, double-chicane signatures and horizontal 3D lenses. The vehicle's rear haunches now look visually wider. Added to which, new integrated tailpipes*, and airflows within the valance, enhance the vehicle's sporty credentials.

*Engine dependent.

**“SIGNATURE PIECES OF
CRAFTSMANSHIP REIMAGINE
OUR JAGUAR VALUES.”**

“Inside the all new F-PACE beholds a truly eye-opening transformation. An interior epitomizing a new luxury, fresh contemporary design and the very latest connected technology. Tactile driver controls reaffirm our performance DNA, while signature pieces of craftsmanship reimagine our Jaguar values in a modern context.

Jaguar is proudly back where we belong –
beautiful interiors, lovingly crafted.”

F-PACE SVR

YOUR F-PACE

INNER BEAUTY. REDEFINED.

The newly designed cabin is tactile and sumptuous. All-new seating with exquisitely crafted Luxtec¹ or leather upholstery in a choice of colors, merges seamlessly with quality veneers. Surfaces are beautifully streamlined and soft to the touch, with everything from the instrument panel topper to the lower surfaces now being wrapped.

Configurable cabin lighting is standard on all models, with a choice of 10 different colors to suit your mood. Intuitive controls and an 11,4" curved Touchscreen* deliver wonderfully rich audio-visual infotainment.

*Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.

¹Model dependent.

INTERIOR SHOWN: F-PACE S FEATURING LIGHT OYSTER WINDSOR LEATHER COMFORT SEATS AND OPTIONAL FEATURES FITTED

A TRANQUIL SANCTUARY

Settle into the luxurious Windsor leather front seat* and look around the driver-focused cabin. Place your hands on the new split-rim steering wheel and let the calmness and comfort of the environment envelop you. The all-new digital climate control has the most tactile details.

Natural Wood veneers or Aluminum trim finishers on the dashboard and center console area accentuate the sense of space. While the sliding panoramic roof enhances that light and airy feeling.

*Optional feature, model dependent. Requires fitment of additional feature.

GREATNESS IS IN THE DETAILS

British charm and a sense of occasion influences every feature of F-PACE design. From nods to our heritage with monogram signature engraving on the digital rotary dials and perforation on the seating, inspired by the original Jaguar logo; to subtle 'cricket ball' stitching on the new Drive Selector and embossed Jaguar leapers on the headrests. Every millimeter of the interior has been fine-tuned and crafted.

F-PACE SVR

YOUR F-PACE

A SPORTY SUV FOR THE PRACTICAL YOU

Sporty. Eye-catching. Capable of carrying everything you want to take. In F-PACE there's space for five adults to sit comfortably, with plenty of head and leg room. Plus, a 40:20:40 seating configuration means each of the seats can be folded completely or individually, to accommodate both passengers and bulky items. In fact, with all the rear seats folded, the F-PACE has a total cargo space capacity comes to a very impressive 69.1 cu.ft*.

*Trunk configuration and total cargo space will vary by vehicle specification (model and powertrain) and if full size spare or space saver spare wheel is fitted.

DESIGN

PRACTICALITY

PERFORMANCE

TECHNOLOGY

F-PACE SVR

YOUR F-PACE

**WHEN LIFE SAYS YOU
NEED MORE SPACE**

Because of the sheer generosity of its cargo space (up to 31.5 cu.ft*), F-PACE is perfect for most activities with family and friends. There's a flat loading lip in the trunk to make packing and storing easier, while optional cargo space storage rails and functional accessories are available. These include a Full-size Luggage Partition and Quilted Cargo Space Liner. VIPs (Very Important Pets) are always more than welcome.

*Trunk configuration and total cargo space will vary by vehicle specification (model and powertrain) and if full size spare or space saver spare wheel is fitted.

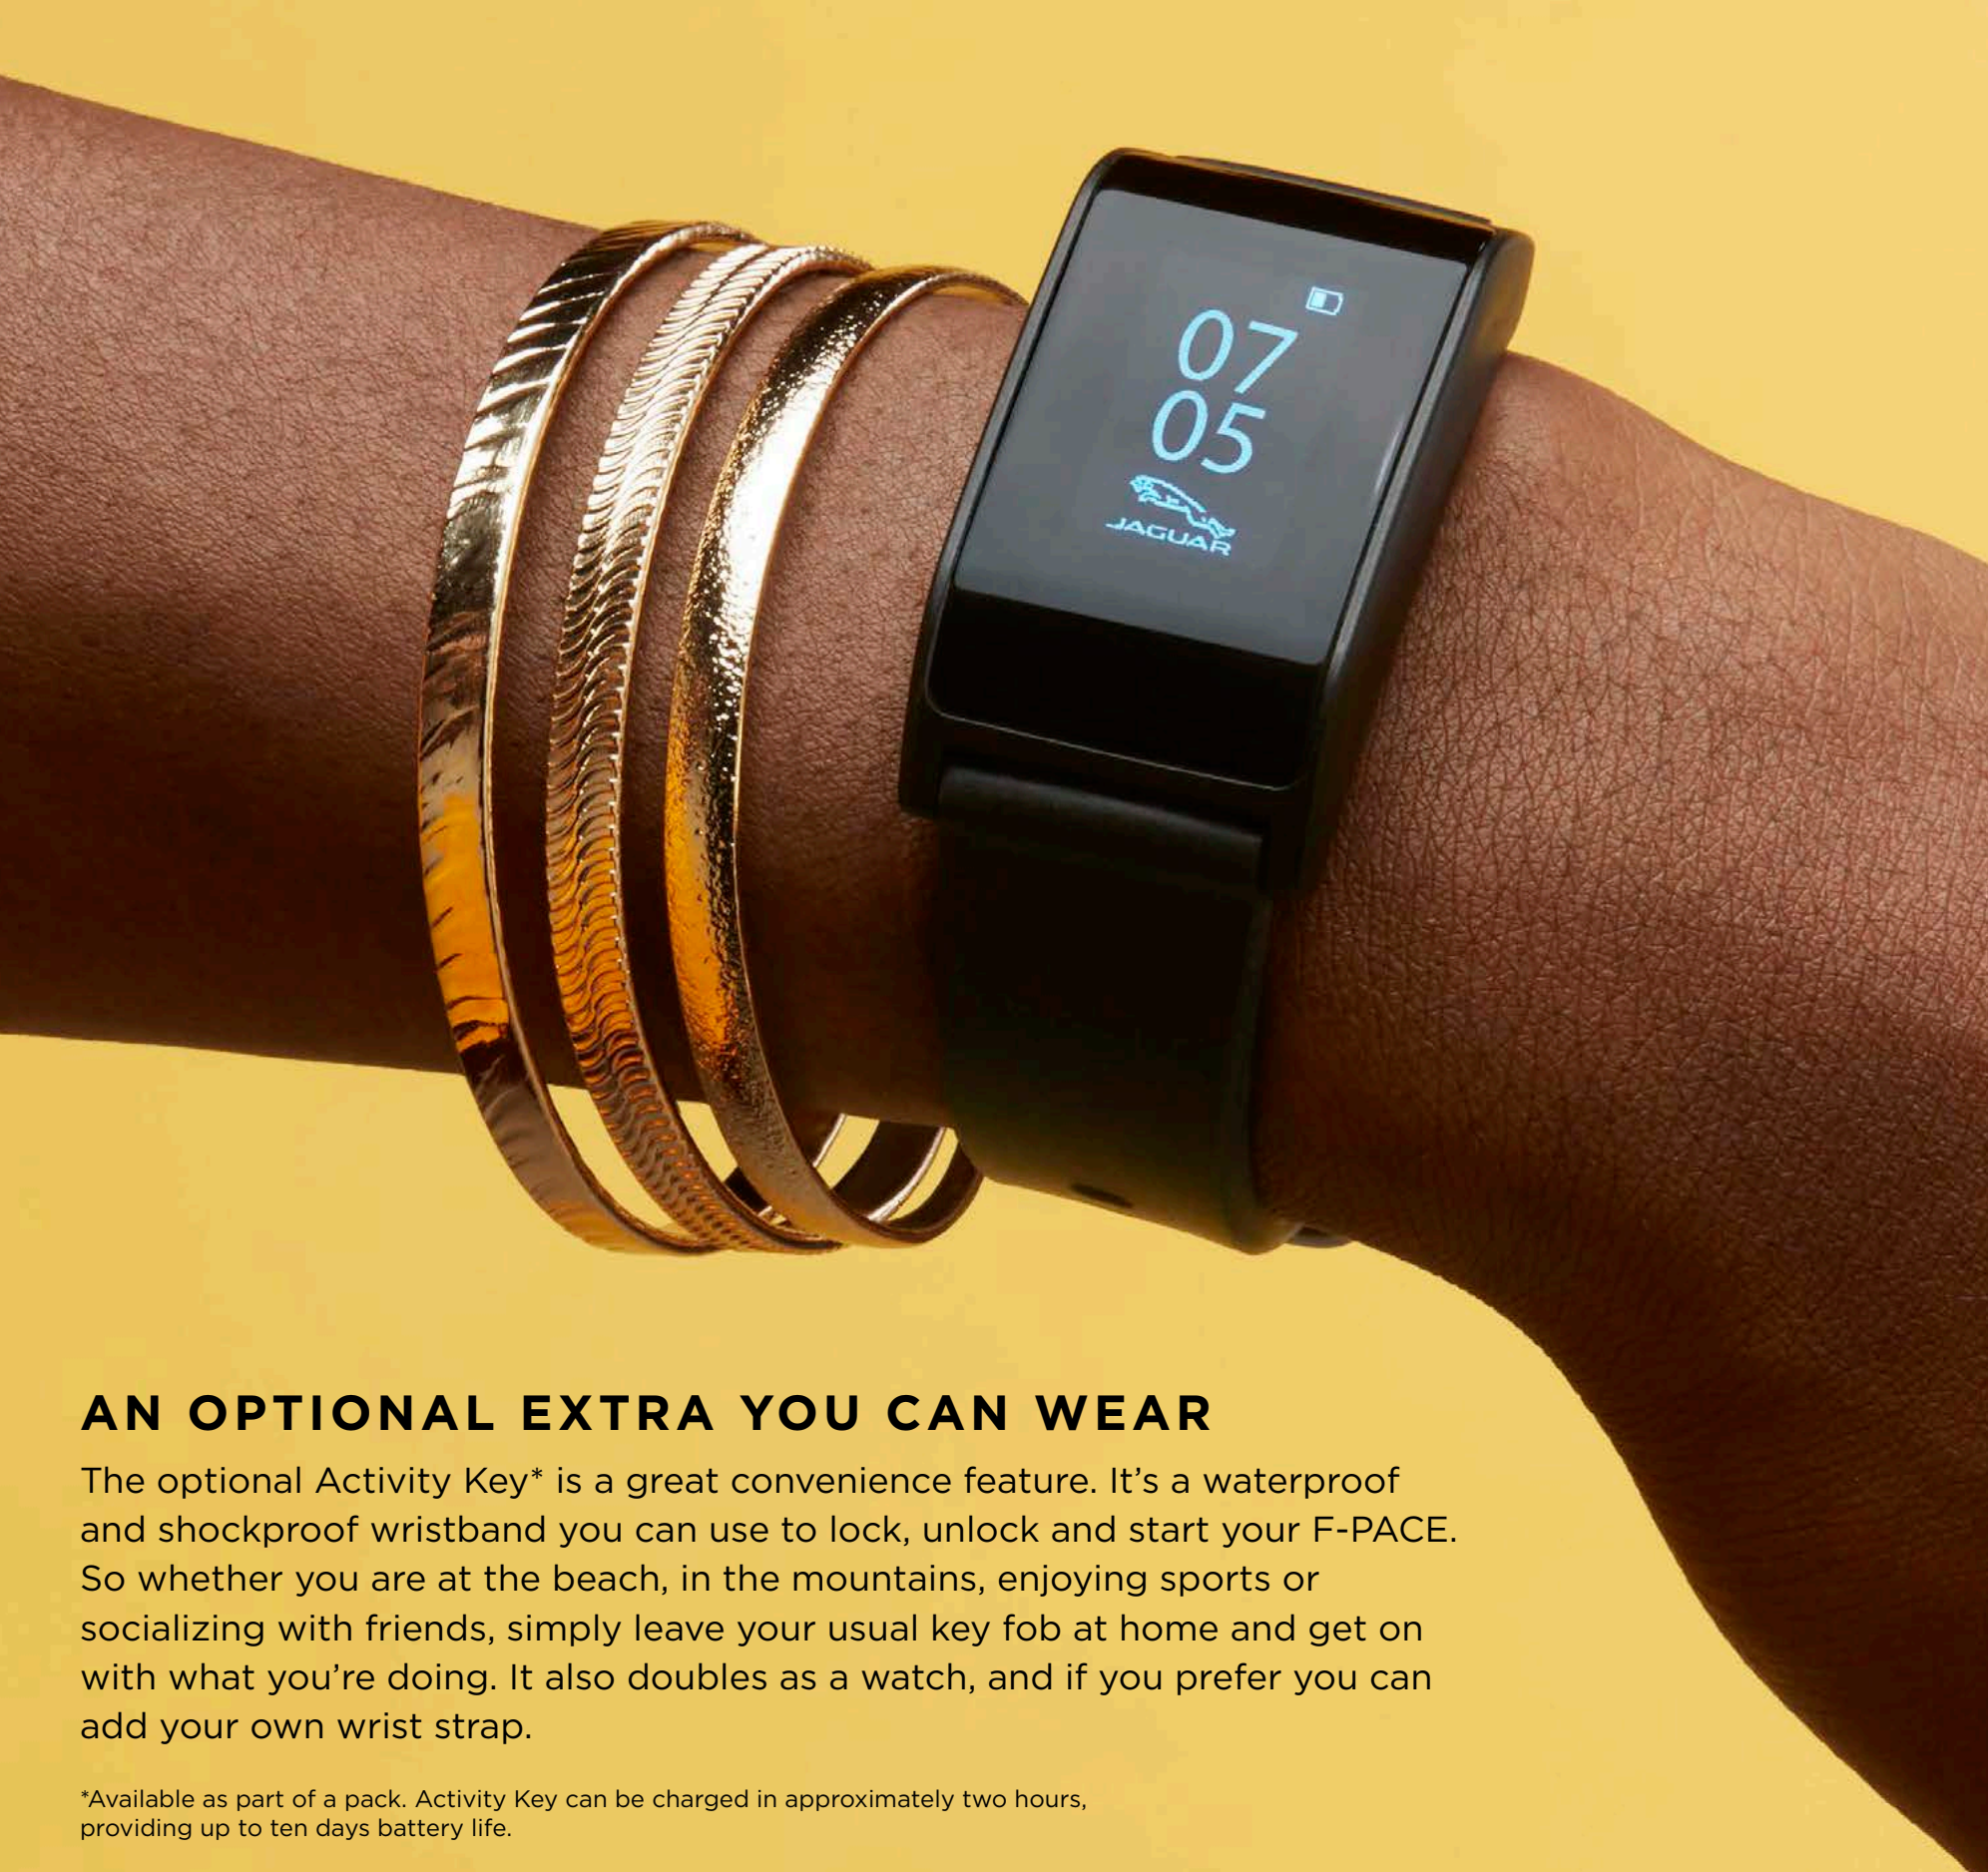

TAKING YOUR LIFE WITH YOU

There are some superbly functional and clever interior features on F-PACE: generous door bins, armrest storage, twin cup holders and an additional storage space for small items under the center console.

Space is available for two LATCH child seats on the outer rear seats, with a third child seat in the center if needed. Four USB charging points* and Wireless Device Charging with Signal Booster** for your phone are also on hand.

*Optional feature, model dependent. Requires fitment of additional features. **This is a consumer device. Before use, you must register this device with your wireless provider and have your provider's consent. Most wireless providers consent to the use of signal boosters. Some providers may not consent to the use of this device on their network. If you are unsure, contact your provider. You must operate this device with approved antennas and cables as specified by the manufacturer. Antennas must be installed at least 20 cm (8 inches) from any person. You must cease operating this device immediately if requested by the FCC or a licensed wireless service provider. Warning. E911 location information may not be provided or may be inaccurate for calls served by using this device.

INTERIOR SHOWN: F-PACE HSE FEATURING LIGHT OYSTER WINDSOR LEATHER SEATS AND OPTIONAL FEATURES FITTED

AN OPTIONAL EXTRA YOU CAN WEAR

The optional Activity Key* is a great convenience feature. It's a waterproof and shockproof wristband you can use to lock, unlock and start your F-PACE. So whether you are at the beach, in the mountains, enjoying sports or socializing with friends, simply leave your usual key fob at home and get on with what you're doing. It also doubles as a watch, and if you prefer you can add your own wrist strap.

*Available as part of a pack. Activity Key can be charged in approximately two hours, providing up to ten days battery life.

DESIGN

PERFORMANCE

TECHNOLOGY

F-PACE SVR

YOUR F-PACE

TECH THAT PROTECTS

It's essential that you feel alert and safe on the roads, especially with family, friends, or pets in the car. F-PACE comes with advanced technologies as standard, including Emergency Braking*, Lane Keep Assist**, Blind Spot Assist, Cruise Control and Speed Limiter**, as well as a Driver Condition Monitor**. Features such as Front and Rear Parking Aid and 3D Surround Camera are also included, meaning you can feel more confident on the road and enjoy hassle-free parking.

*Please note that if any action is taken, even minimal steering, the Emergency Braking system will assume the driver resumed control of the vehicle and the system will automatically disengage. **These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

3D SURROUND CAMERA

Fitted as standard, 3D Surround Camera* helps you see more. New 3D exterior perspectives alongside a 360° overhead view of your vehicle help you maneuver with confidence.

*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

BLIND SPOT ASSIST PACK

To take the stress out of highway driving, the standard Blind Spot Assist Pack includes Blind Spot Assist and Rear Traffic Monitor when changing lanes, and Clear Exit Monitor to help passengers when exiting the vehicle*.

OPTIONAL DRIVER ASSISTANCE FEATURES

Adaptive Cruise Control¹ helps make motorway driving and heavy traffic situations more comfortable. It achieves this by gently assisting with acceleration and braking to maintain a set distance from vehicles ahead*.

*These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

F-PACE SVR

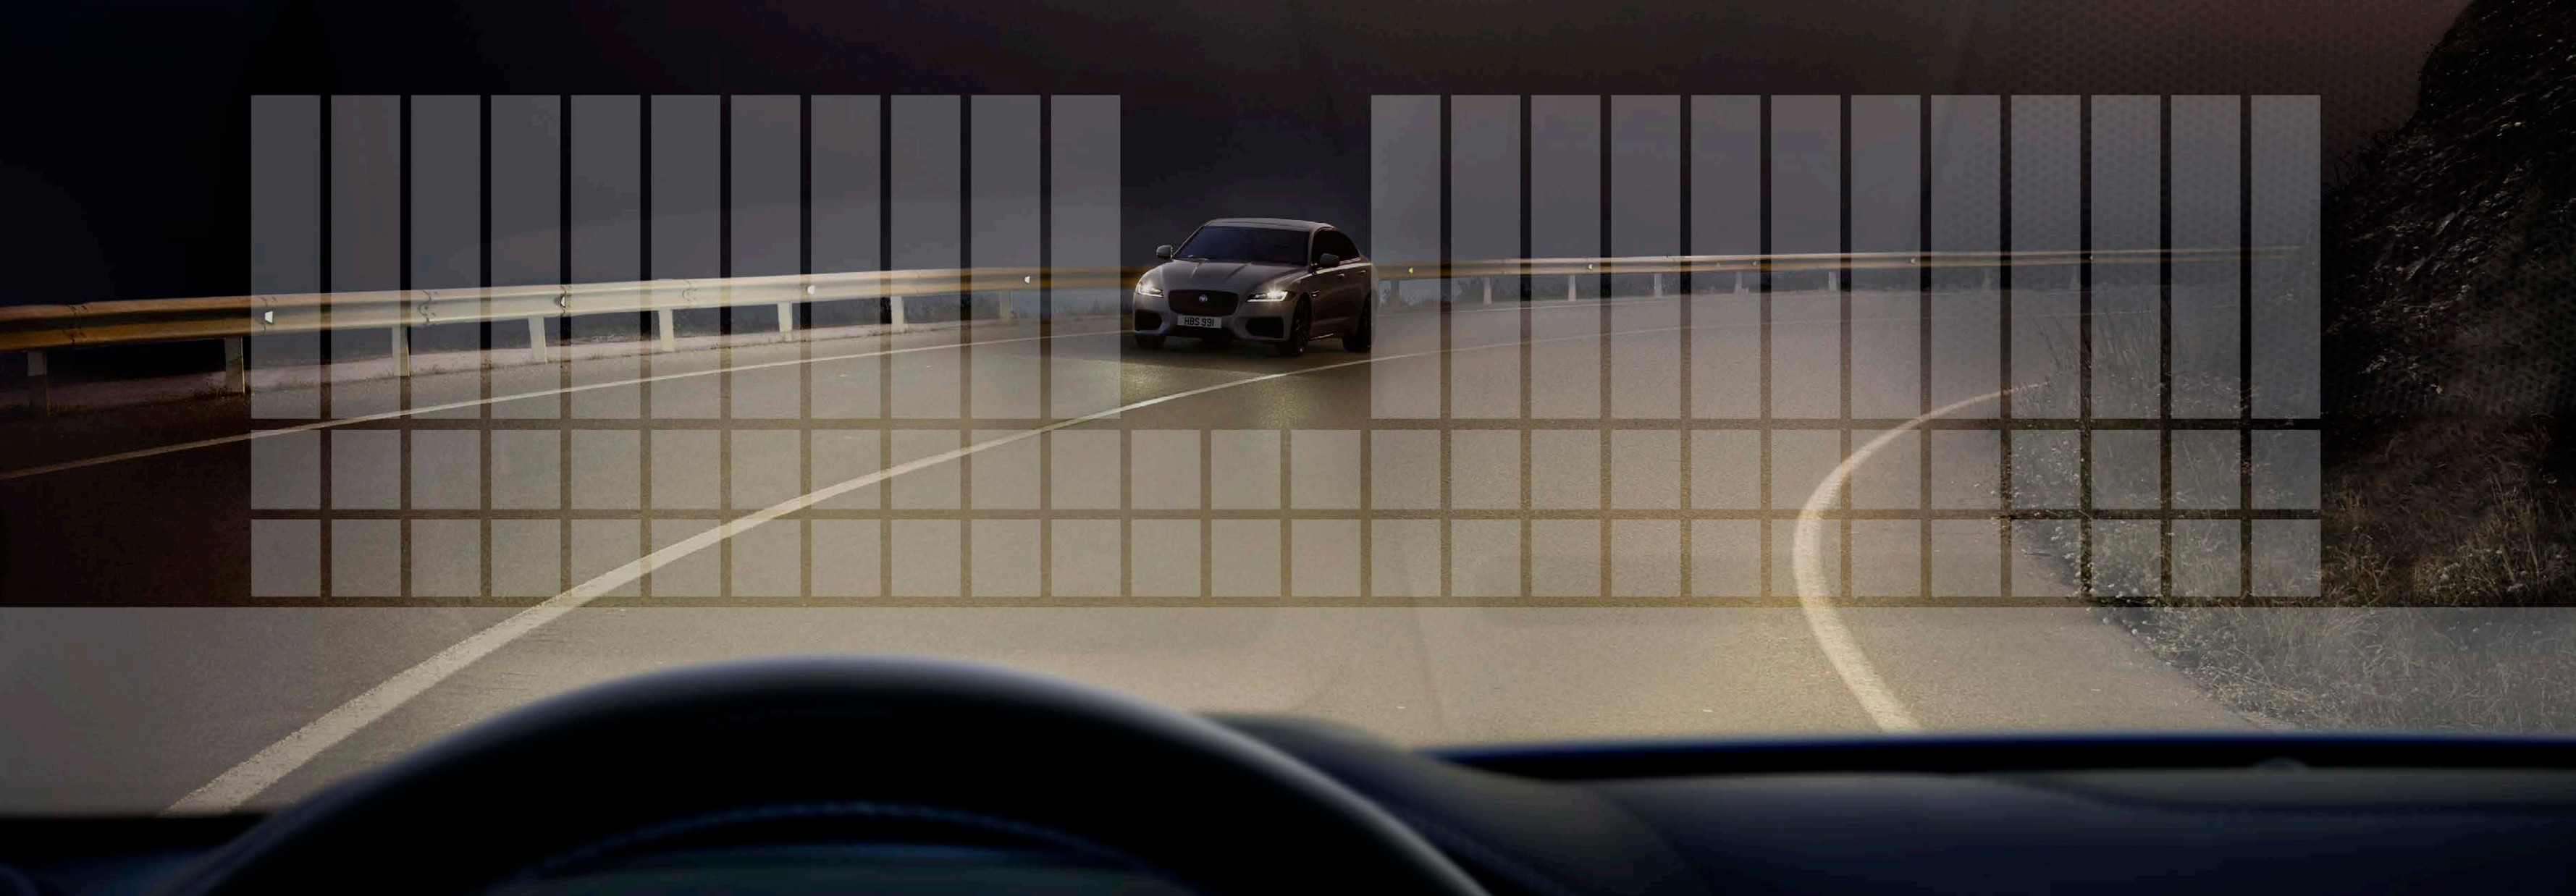

YOUR F-PACE

PARK ASSIST

Optional Park Assist makes parking easier than ever before, by automatically detecting available parking spaces and offering to park for you. At your command, your vehicle will complete the full parking manoeuvre automatically, while you simply sit back and keep an eye on the surroundings*.

*These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

BEAUTIFULLY FUNCTIONAL HEADLIGHTS

Premium LED headlights with signature DRL and Auto High Beam Assist technology are fitted as standard. The headlights produce a color of light that is close to daylight, helping your eyes distinguish objects more easily.

A BODY BUILT FOR PERFORMANCE, STRENGTH AND SUSTAINABILITY.

Underneath there's an astoundingly strong, yet incredibly lightweight bodyshell containing up to 80 percent recycled aluminum*. The benefits include weight savings, improved fuel efficiency and enhanced handling.

*Aluminum content based on volume for body structure excluding doors, hood and tailgate.

THE ENGINEERING BEHIND THE EXCITEMENT

F-PACE is powered by our range of new gas engines. With a wide range of options available, all including 8-speed Automatic Transmission and All Wheel Drive, F-PACE can perfectly match your lifestyle and driving needs.

You can also benefit from Mild Hybrid technology*, which uses a small integrated electric motor to harvest energy lost during deceleration – intelligently redeploying it.

*Engine dependent.

VEHICLE SHOWN: F-PACE S IN PORTOFINO BLUE WITH OPTIONAL FEATURES FITTED

A CHOICE OF CLEAN, EFFICIENT ENGINES.

You have a choice of a 4-cylinder Turbocharged Ingenium Gas engine. Alternatively, there are new 6-cylinder gas engines such as the P340 and the even more powerful P400.

DESIGN

PRACTICALITY

PERFORMANCE

TECHNOLOGY

F-PACE SVR

YOUR F-PACE

EXPERIENCE EXHILARATION EVERY DAY

It's the refined way F-PACE delivers its athletic performance that really impresses. The 8-speed Automatic Transmission is incredibly responsive, smooth and efficient. And when Dynamic Mode¹ is selected in JaguarDrive Control, the acceleration and gear shift points become sharper and more responsive. Also, with Configurable Dynamics¹ onboard, you can set up the dynamics so that engine response, gearbox shift points and steering all suit your driving style*.

¹Optional feature. Model and engine dependent.
*These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

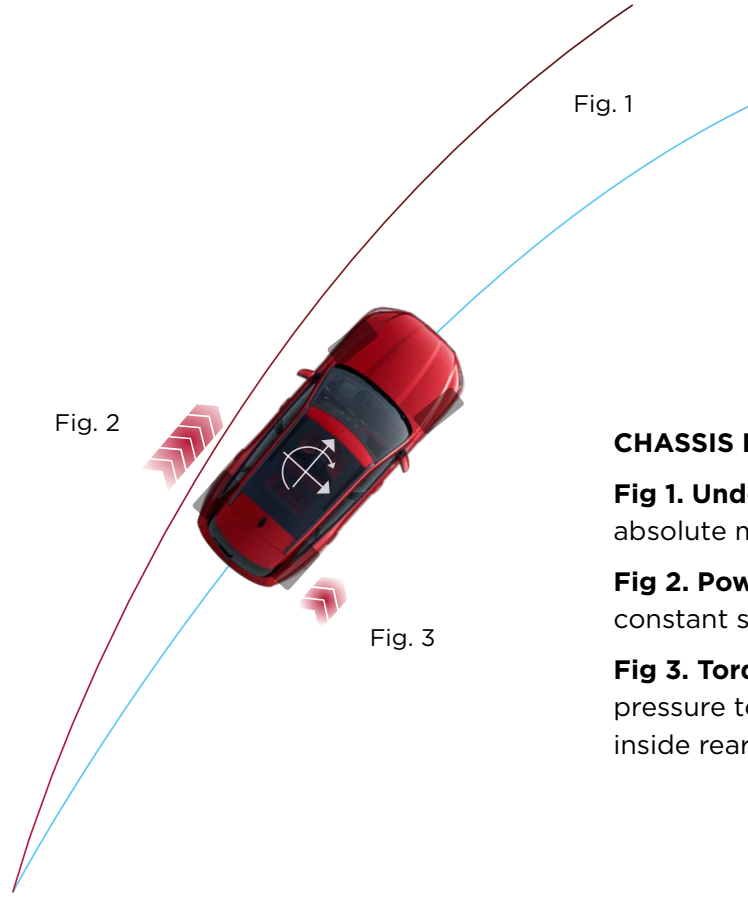

WHAT’S THE USE OF WINDING ROADS IF YOU CAN’T ENJOY THEM?

The F-PACE Adaptive Dynamics¹ work with Configurable Dynamics¹, so that you can shift from one driving style and one set of road conditions to another. It does this by constantly monitoring your wheel position and body movements, as well as analyzing acceleration, steering, throttle and brake movements before automatically adjusting the suspension. JaguarDrive Control with Adaptive Surface Response also detects rough road and off-road conditions and adjusts the suspension settings accordingly for a more comfortable ride*.

¹Model and engine dependent.

*These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner’s manual or your local authorized Jaguar Retailer for more details.

CHASSIS DYNAMICS

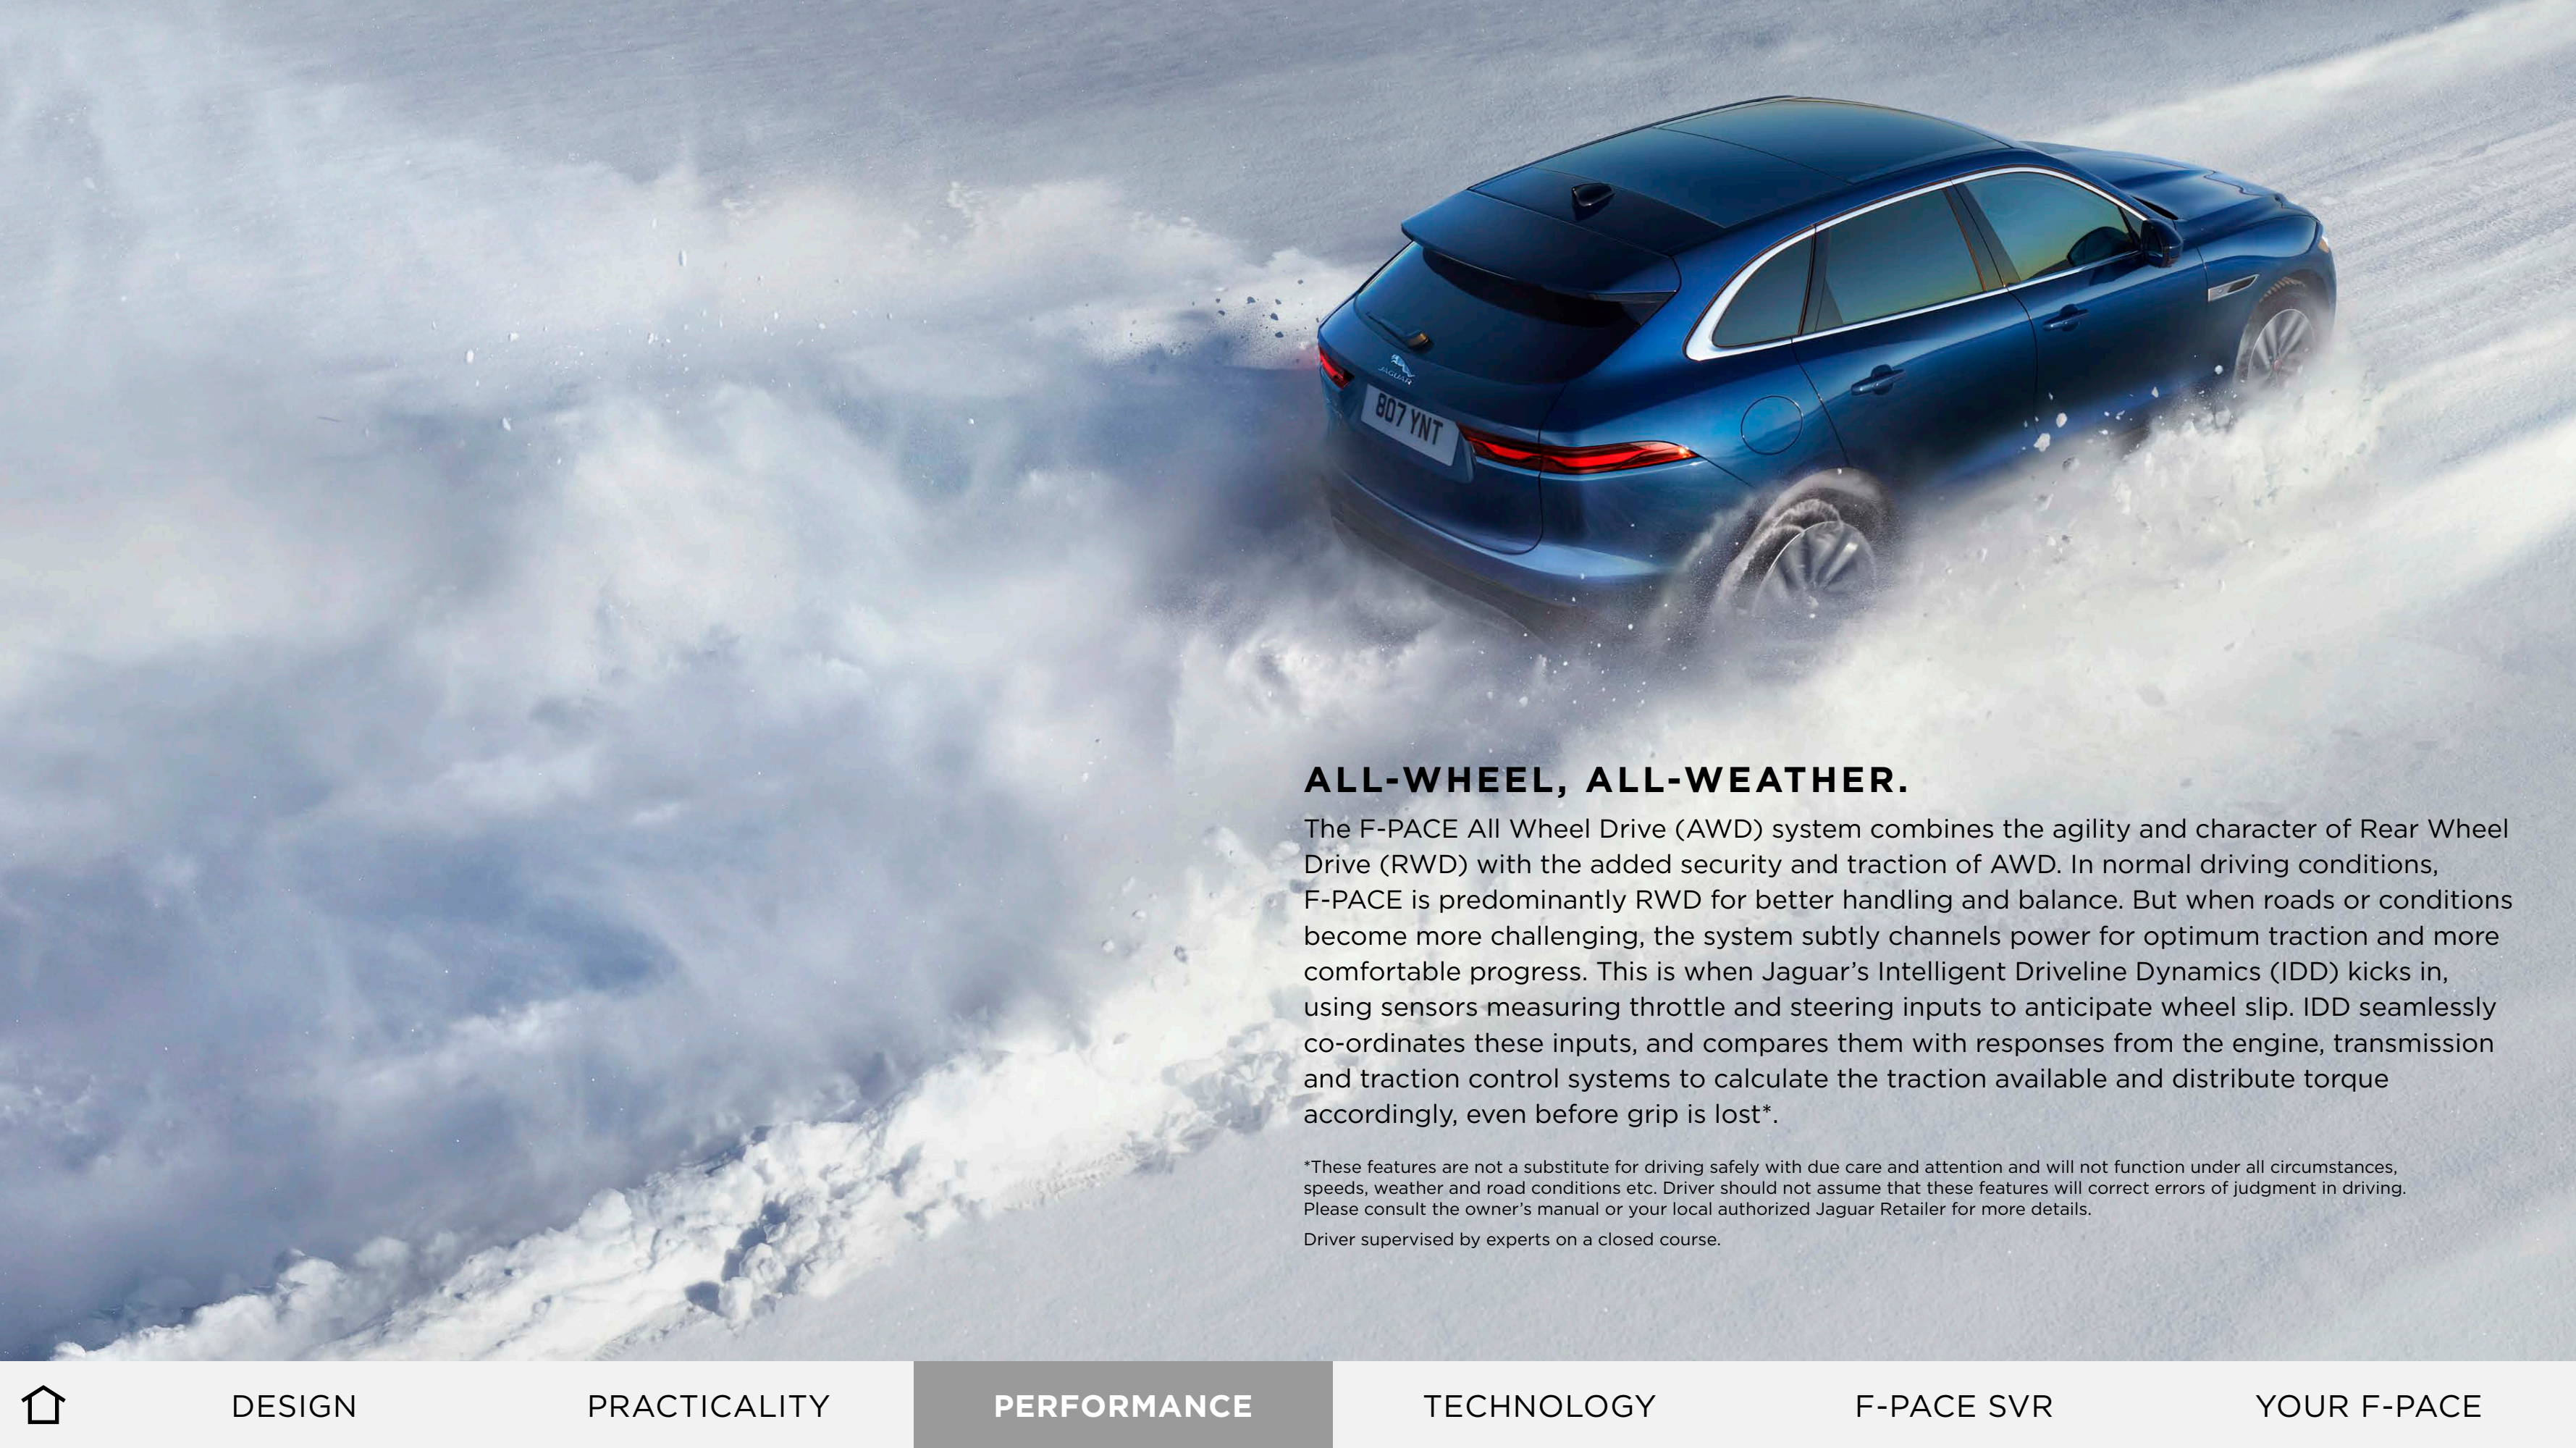

Fig 1. Understeer is kept to an absolute minimum.

Fig 2. Power is sustained to maintain constant speed of outer driven wheels.

Fig 3. Torque Vectoring applies brake pressure to slow the inside front and inside rear wheels independently.

When straight roads become snaking roads, the F-PACE Torque Vectoring by Braking* makes all the difference. It provides controlled independent braking on the inside front and rear wheels to maximize capability through even the tightest corners. Together with Dynamic Stability Control, it corrects understeer, and provides you with extra confidence when driving.

*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

ALL-WHEEL, ALL-WEATHER.

The F-PACE All Wheel Drive (AWD) system combines the agility and character of Rear Wheel Drive (RWD) with the added security and traction of AWD. In normal driving conditions, F-PACE is predominantly RWD for better handling and balance. But when roads or conditions become more challenging, the system subtly channels power for optimum traction and more comfortable progress. This is when Jaguar’s Intelligent Driveline Dynamics (IDD) kicks in, using sensors measuring throttle and steering inputs to anticipate wheel slip. IDD seamlessly co-ordinates these inputs, and compares them with responses from the engine, transmission and traction control systems to calculate the traction available and distribute torque accordingly, even before grip is lost*.

*These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner’s manual or your local authorized Jaguar Retailer for more details.
Driver supervised by experts on a closed course.

A FULLY CONNECTED JOURNEY

SIMPLICITY AS STANDARD

No more endless menus. No more fidgety commands. Pivi*, Jaguar's impressive and seamless in-car infotainment system, enables you to do 80 percent of your usual tasks with just one or two taps. All on the home screen. Engineered around a smartphone-like interface, it features an intuitive 11.4" Touchscreen that allows you to go right to what's needed, when you need it. Plus, you can even connect your smartphone and enjoy your favorite compatible apps**.

androidauto

*Do not use Jaguar InControl® or Pivi Pro features under conditions that will affect your safety or safety of others. Driving while distracted can result in loss of vehicle control. Jaguar InControl has a number of purchasing options that are available. HOW DOES MUSIC MAKE YOU FEEL?

Music has the power to change your mood, evoke memories and affect your wellbeing. It can give you tingles or make you cry. It's why music and vehicles go so well together. Sitting behind the wheel, listening to your favorite artist, band or composer. It's your space. Your world. But what if you could do more than simply listen to the music? What if you could feel it, experience it, immerse yourself in it? What if you could make more of a connection with the music and enjoy a greater sense of acoustic involvement in your Jaguar?

British-based Meridian™ Audio are all about the musical experience – the very sense of being there. Their award-winning, precision-engineered audio systems are built on a lifetime of research into psychoacoustics (the science of how the human brain perceives sound) to deliver a performance that is so true to life, you feel every beat, every breath.

Meridian is a registered trademark of Meridian Audio Ltd. Trifield and the three fields device is a trademark of Trifield Productions Ltd.

FEEL THE MUSIC WITH MERIDIAN™

Meridian’s approach to in-vehicle audio is all about managing the sound stage; intensifying the levels of depth, clarity and realism of the music, by using a combination of sophisticated acoustic technology and strategically positioned speakers.

Wherever you sit in the vehicle, you’ll get the same concert-quality sound. Each strike of the piano, every guitar pick, horn blast, chorus and melody reveals itself with precision and texture, just as the artist intended. It’s intimate, dramatic and atmospheric – whether you’re enjoying the twists and turns of an open road or stuck in rush-hour traffic.

Visuals aim to represent the perceived placement of the musicians based on an occupant seated on the right side of the vehicle.

EXPLORE MERIDIAN

1. MERIDIAN SOUND SYSTEM (STANDARD)

Brings detail and clarity to everyone in the vehicle with strategically arranged speakers and a dual-channel subwoofer to deliver a full, sophisticated sound.

2. MERIDIAN SURROUND SOUND SYSTEM

Enjoy an engaging, authentic concert hall experience as you’re enveloped in the fullness and clarity of side, front and rear speakers seamlessly integrated using Trifield™ technology.

F-PACE SVR

Welcome to F-PACE SVR: the pinnacle of our award-winning model lineup. Designed and engineered by the Jaguar Special Vehicle Operations division, F-PACE SVR combines class-leading performance, agility and dynamism with the practicality of an SUV. This is the ultimate driver's vehicle. At the heart of F-PACE SVR lies a powerful V8 Supercharged Gas engine, delivering breathtaking power and a visceral driving experience.

F-PACE – TECHNICAL SPECIFICATION

POWERTRAIN	P250	P340 MHEV	P400 MHEV	P550 SVR
Transmission	Automatic	Automatic	Automatic	Automatic
Driveline	AWD	AWD	AWD	AWD
Maximum power HP/rpm	246 / 5,500	335 / 5,500 – 6,500	395 / 5,500 – 6,500	550 / 6,250 – 6,500
Maximum torque lb-ft/rpm	269 / 1,300 – 4,500	354 / 1,500 – 4,500	405.7 / 2,000 – 5,000	516 / 3,500 – 5,000
Capacity (cc)	1,997	2,995	2,995	5,000
No, of cylinders/Valves per cylinder	4 / 4	6 / 4	6 / 4	8 / 4
Cylinder layout	Inline	Inline	Inline	Longitudinal V
Bore/stroke (in)	3.27 / 3.63	3.27 / 3.63	3.27 / 3.63	3.64 /3.66
Compression ratio (:1)	10.5 +/- 0.5	10.5	10.5	9.5
PERFORMANCE*				
Acceleration (secs) 0-60mph	6.9	5.8	5.1	3.8
Maximum speed mph	135	149	155	178
BRAKES				
Front type	Single Piston Sliding Caliper, Vented Disc		4-Piston Aluminium Monobloc Fixed Caliper, Vented 2-Piece Disc	
Front diameter (mm)	350	370	370	395
Rear type	Single Piston Sliding Caliper, Vented Disc		Single Piston Sliding Caliper, Vented Disc	
Rear diameter (mm)	325	325	325	396
Park Brake	iEPB, motor on caliper		iEPB, motor on caliper	

*Always follow local speed limits.

F-PACE – TECHNICAL SPECIFICATION

WEIGHTS (lbs)*	P250	P340 MHEV	P400 MHEV	P550 SVR
Curb weight	4,015	4,305	4,305	4,535
Gross Vehicle Weight (GVW)	5,555	5,730	5,730	5,705
TOWING (lbs)				
Unbraked trailer	1,653	1,653	1,653	1,653
Maximum towing	5,291	5,291	5,291	5,291
Maximum coupling point (nose weight)	220	220	220	220
Maximum vehicle and trailer combination	10,845	11,020	11,020	11,001
ROOF CARRYING (lbs)				
Maximum roof load (including cross bars)	165	165	165	165
FUEL ECONOMY				
Fuel tank capacity – US gallons	21.66	21.66	21.66	21.66
Diesel/Gasoline Particulate Filter (DPF/GPF)	■	–	–	■
City (mpg)	22	TBC	TBC	TBC
Highway (mpg)	27	TBC	TBC	TBC
Combined (mpg)	24	TBC	TBC	TBC

■ Standard — Not available.

*Weights reflect vehicles to standard specifications. Optional extras increase weight.

F-PACE - DIMENSIONS

Vehicle Height - 65.51 inches (65.74 inches on SVR)

Headroom
Maximum front/rear headroom with Panoramic roof fitted 37.8 / 37.48 inches

Legroom
Maximum front legroom 40.28 inches
Maximum rear legroom 37.17 inches

Cargo space Capacity
Height 29.57 inches, Width 42.95 inches
Cargo space width between arches 41.26 inches
Maximum cargo space volume behind first row 69.1 cu.ft
Maximum cargo space volume behind second row 31.5 cu.ft

Turning Circle
Curb-to-curb 39.14 ft. (12.01m on SVR)
Wall-to-wall 40.03 ft. (12.29m on SVR)
Turns lock-to-lock 2.52

Dimensions were measured with vehicle at unladen weight.
